The Kamehameha Cadet Battalion

the whole morning and part of the aft-ernoon. Promptly at 9 o'clock the com-

was detailed by the War Department to review the battalion.

done the battalion was formed for in-spection. The inspector paid close at-

ention to the equipments of the ca-

which speaks well for the cadets.

Close and extended order drills were

part well when the time came for them to act. These drills took up about half an hour, when Companies B and

were allowed to rest while Compan A turned out for drill. The rest of the cadets took great interest in the

each one claimed to have the best ompany, and here was a chance to decide which was really the best com-pany of the battalion. After going

through the different movements Cantain Kaono' i brought his company be-fore the inspector and went through

the manual of arms, and then marched off the field, after doing good work

Company B was next out and did fairly well. This company spent most of its time in extended order drill. The last company to turn out was composed

of the youngest cadets in the battal ion and, taking their size into consid

eration, Company C made the best showing of the day in drill, All the

novements were executed at the sam

out well. The cadets of the other two
